## COSMETICS SCHOOL

### Benefits of Starting Now with our Start Smart: Pre-Mentorship Study Plan

Starting this intensive course now gives you a strategic advantage. You'll build a strong foundation in natural cosmetic formulation, gain confidence in ingredient knowledge, and become familiar with equipment and formulation techniques before the 8-week mentored semester with Joan Morais begins. By pre-studying now, you'll maximize your time in the mentored program and get the most out of the live support, feedback, and cosmetic formulation practice offered during the semester.

#### *Benefits of Starting Now with our Pre-Mentorship Study Plan:*

- **Head Start:** Begin learning now and be fully prepared when the mentored semester begins.
- **Flexible Learning:** Study at your own pace over these months with a clear, guided schedule.
- **Build Confidence Early:** Understand foundational concepts and terminology so you're not starting from scratch.
- **Bonus! One Live Q+A group call with Joan Morais on October 23, 2025 (added value - consultation with Joan is \$400 an hour)**
- **Hands-On Practice:** Start formulating with beginner-friendly techniques before the 8-week mentored course.
- **Save Time Later:** Enter the mentored semester with modules and assignments already completed.
- **Maximize Mentorship:** Use mentor feedback to refine, not catch up, make the most of your time with expert guidance.
- **Stay Motivated and On Track:** Follow a structured study plan and maintain steady progress toward certification.
- **Join with Momentum:** Enter the mentored semester engaged, focused, and ready to take your formulations to the next level.
